Re: 30 Day Post General Report (10/17/96-11/25/96)
ID. C00311852

Dear Ms. Kelly:

A joint donation was made by Mr. and Mrs. Frank Varischetti in the amount of \$2,000. The donation was received on 10/28/96 on a joint account for Frank and Barbara Varischetti, check number 5471. Because of a previous \$1,000 joint donation on the same account on 3/9/96, check number 5113, the aggregate amount year-to-date is \$3,000.

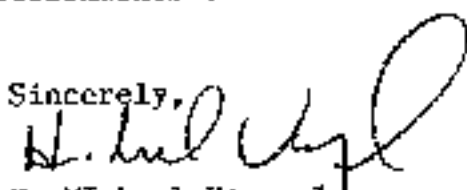

While our permanent records indicate the above, our software was not printing, i.e., Mr. & Mrs. Frank Varischetti or Frank and Barbara Varischetti, as the married data was incorrectly placed in the wrong field.

Attached is Schedule A for line number 11(a)(1) to reflect occupation/employer for all donations over \$200, year-to-date; and solicitation envelope showing information we request.

At the time of filing our 30 Day Post Election Report, we did not have maintenance fee amount from the bank on our checking account. The attached Schedule B for line 17 reflects these charges. On 10/29/96 we were charged \$40. and on 10/31/96, we were charged \$66.

Please let this letter and attachments serve as amendment to this report.

Sincerely,

H. Michael Vinopal,
Treasurer
